Up to \$10,000 of private school tuition each year may be paid out of a 529 Savings Plan. This is great way to pay tuition and save on taxes. Please consult your tax advisor or 529 Plan for more information.

TUITION ASSISTANCE

To be considered for needs-based tuition assistance, students must be accepted for admission and families must complete the FACTS Grant & Aid Assessment at <https://online.factsmgt.com/signin/3CDW1>. FACTS is a well-established, third-party service that keeps financial information private and secure. They calculate a family's ability to pay on behalf of St. Anne-Pacelli Catholic School. When you apply in FACTS, you will be asked to upload financial information. Typically they will ask for copies of your 2022 Federal Income Tax Return and 2023 W-2s. If you do not file federal taxes, you may indicate that in the FACTS application.

Once the FACTS application is complete and the information verified by the tax documents, a report is provided to St. Anne-Pacelli Catholic School for review by the Tuition Assistance Committee. FACTS will send an email notification once a tuition assistance award is made by the Tuition Assistance Committee.

We make every effort to meet a family's demonstrated financial need; however, we are not able to make full-tuition awards. The priority deadline for applying for tuition assistance is March 1, 2024. After that date, applications for aid are subject to funds availability. The FACTS Grant & Aid Assessment must be completed each year. Students may receive both scholarship and tuition assistance awards.

Families who receive needs-based tuition assistance are required to contribute 20 hours of volunteer service to the school during the school year in which the assistance is received.
