## Intermediate Summer Work

Summertime is here! Continuing to engage the brain and to read throughout the summer is a very important part of your child's education! We know all young people experience learning losses when they do not engage in educational activities over an extended period of time. We believe in the importance of children being "children" and enjoying the carefree summer months, but we also do not want them to regress in important skills like reading and math.

To help combat this loss, we have weekly math and language arts assignments through IXL for our rising third through fifth-grade students in addition to a summer reading requirement. You should find that these activities take on average 60 minutes per week.

If you have any questions, please contact your child's teacher.

We hope you have an amazing summer and look forward to a new school year with you!  
Thanks for your support!

All work can be turned in at Meet the Teacher or the first day of school.

## Third Grade

### Independent Reading

1. Read one chapter book (60 pages or more) within your 4th quarter ZPD range for AR. If you are new to St. Anne-Pacelli, choose a book within the 2.5-3.5 grade level.
2. On a separate sheet of lined paper **write a 3 to 5 complete sentence summary** of the book in your best printing or cursive. Include a sentence about the main character(s) with a description. The remaining sentences should explain the main problem and the solution. Be sure to include your name, the book title, and the author as a heading to your summary.
3. Be prepared to take an AR test on your book the first week of school.

### IXL

<https://www.ixl.com/signin/saintannpa>

1. See the attached list of IXL Summer Adventure Skills.
2. After your child signs into IXL (see username and password provided), search for skills from the printed list using the three-character skill ID.
3. Students should record a minimum of 8 hours of skills practice on the Summer IXL Log provided to receive credit for this work.
4. If you are new to the school, please print and complete the packet of work from the school website.

## Fourth Grade

### Independent Reading

1. Read one chapter book (minimum 100 pages and minimum 7 chapters) within your 4th quarter ZPD range for AR. If you are new to St. Anne-Pacelli, you should choose books that are within a 3.5-4.5 grade level.
2. On a separate sheet of lined paper, write a summary of the plot in your best cursive handwriting. This should be answered in **at least 5 complete sentences** using time order words (ex. First, next, last). Include the title and author as a heading to your summary. Your summary should follow the "somebody, wanted, but, so, then" format.
