Dear Parent or Guardian,

This summer, grades 3-5 will be using Khan Academy to maintain and build basic Math skills for our students.

Khan Academy is a free online resource that allows students to learn anytime, anywhere, with material that is uniquely appropriate for them. Students can explore new topics and strengthen their skills by doing practice problems and tutorials. As students learn, their activity feeds into reports that show important information such as strengths and weaknesses in a particular concept. By using Khan Academy we will be able to provide a more personalized learning experience for your child.

How to join your teacher’s Khan Academy class

1. If not provided with this form, email your child’s 2019-2020 teacher to obtain his/her assigned username and password.
2. Go to khanacademy.org/join
3. Enter your class (for the 2019-2020 school year) code and press “Add”

3rd Grade CLASS CODE: QBTDVS3K
4th Grade CLASS CODE: 7X6XUQUX
5th Grade CLASS CODE: YHSRVARZ

4. Log-in in using the username and password provided by your teacher.

If you’d like, you can set up a parent/guardian account and follow along your child’s progress in 5 quick steps.

1. Log-in to Khan Academy with your child using the account information given.
2. Click on their Username –Settings in the upper right corner.
3. Enter your email address in the “Parent Email” Field.
4. Check your inbox for an email from Khan Academy.
5. Follow the sign-in or log-in prompts to get started.

As a parent, you’ll be able to see what your child is working on. You will also have the ability to edit your child’s username and password. PLEASE DON’T! We may extend the use of the program to our class time during the school year. It will be much easier for us to retrieve forgotten usernames and passwords if they are kept as originally assigned. Thank you.

To use Khan Academy in class, your child will need your permission. Please review the Terms of Service (www.khanacademy.org/r/tos) and Privacy Policy (www.khanacademy.org/r/privacy) and email your consent to his/her teacher:

3rd Grade Ms. Mann – kmann@sasphs.net
4th Grade Mrs. Archer – parcher@sasphs.net
5th Grade Mrs. Duncan – kduncan@sasphs.net
### SUMMER MATH GRADE LEVEL REQUIREMENTS

<table>
<thead>
<tr>
<th>Grade Level</th>
<th>Requirement</th>
</tr>
</thead>
<tbody>
<tr>
<td>Rising 3rd Graders</td>
<td>Complete the assignments in Ms. Mann’s 2019 Class (Khan Academy) by August 12, 2019.</td>
</tr>
<tr>
<td>Rising 4th Graders</td>
<td>Complete the assignments in Mrs. Archer’s Summer Math Class (Khan Academy) by August 12, 2019.</td>
</tr>
<tr>
<td>Rising 5th Graders</td>
<td>Complete the assignments in Mrs. Duncan’s Summer Homework (Khan Academy) by August 12, 2019.</td>
</tr>
</tbody>
</table>
